1. The Acting Director of the staff of the Joint Congressional Committee on Atomic Energy, by letter dated 20 November 1950, requested a report from us as to [REDACTED]. I acknowledged his letter on 24 November, stating that we would prepare such a report and that it would be available on approximately 4 December.

STATOTHR

2. I feel that the release of material on Atomic Energy should be over the Director's signature, and I have therefore prepared the attached letter to Senator McMahon, Chairman of the Committee. The covering memorandum from OSI is also attached herewith for your information.
